

PERS Declaration Form by Port Senior Manager to support the Port Environmental Review System (PERS) Application

Name of Port	Port of Harlingen
Name of Senior Manager	Paul Pot
Position	Director
<p>“On behalf of the above named Port I declare that the information provided, and the circumstances described in the PERS documents are accurate and based on the actual port situation. I further confirm that there are no resolutions of competent authorities to the effect that a violation of significant environmental regulations has been established and/or that there are no decisions in writing that have been made by the prosecuting authorities with regard to prosecution for any criminal offence or any violation of significant environmental regulations.”</p>
